

*Jorge Mucuta, a young man from the Quessua Orphanage/Boarding House, receives his High School diploma from Rev. Dr. Leonardo Garcia.*

The 2012 Annual Conference Offering highlights the mission of The United Methodist Church in its local and global connections.

Seventy percent of the offering will strengthen the ministry of the East Angola/Florida Partnership by supporting education in East Angola at all levels. It will also be used to enable Dr. Leonardo and his wife Dr. Cleivy Garcia to continue serving as missionaries in Angola, along with providing grants to assist Florida churches in sending mission teams to East Angola.

Thirty percent will be given to Alfalit, which serves in the United

States and 21 other countries eliminating the human suffering caused by illiteracy. At present Alfalit has extended their service to include Basic Education, Preschool, Health (HIV/AIDS, tuberculosis, malaria, and cholera prevention), Nutrition, Micro-Credit and Community Development.

Give a heartfelt response to these opportunities. Send the offering with your church delegates to the 2012 "Being United in Christ" Annual Conference Event in Lakeland, Florida, June 14-16.
