## 2011 JOURNAL OF THE FLORIDA ANNUAL CONFERENCE

Deadline to place an order: August 15, 2012

We are offering two **versions** of the 2012 Florida Annual Conference **Journal**:

**Version 1 - A regular printed Journal** which includes directories and service records of clergy, directories of churches, lay members by district, information and reports about conference finances and ministries, the daily proceedings and business of the 2012 Annual Conference session, statistical highlights for the year 2011 and more. This does NOT include statistical tables.

**Version 2 - A CD ROM Journal** which includes everything in the printed version (above), PLUS a PDF of the statistical tables and pictures and highlights of the 2012 Florida Annual Conference Event.

**A free download** of the complete Journal on the Florida Annual Conference Website will also be available. (<http://www.flumc.org>).

**STATISTICAL TABLES** All local church statistical information collected for the year 2011 will be available to all local churches in an Excel spreadsheet. Local churches will be able to access the Excel spreadsheet through their local church log-in via the Conference Website. The Excel spreadsheet will be laid out by district, with a recap of district and conference totals. Having it in an Excel spreadsheet will enable users to search and sort the data as needed. All local church statistical information collected for the year 2011 will also be available in PDF format on the Conference Website ([www.flumc.org](http://www.flumc.org)) and in the CD Rom Journal (see Version 2 above).
